Brazos County Regional Mobility Authority:

The Brazos Valley Economic Development Corporation offers its support for the position of the Brazos County Regional Mobility Authority (BCRMA) in its November 2022 referendum.

Brazos County residents are being asked to approve a \$10 annual increase in annual vehicle registration fees. That funding will support the mission of the BCRMA to improve the transportation system of the County to help meet the tremendous growth our community is seeing and will see.

The BCRMA has the full support of the BVEDC in these matters.

Sincerely,

Seth McKinney
Chair of the Board of Directors
Brazos Valley Economic Development Corporation
